Illinois Junior Golf Association

The IJGA has been conducting tournaments for boys and girls aged 14-18 for 40 years. If you have a child that wishes to take golf more seriously, the IJGA is a terrific place to get them started. Bob Miller's daughter Melissa just won her event at Bartlett Hills this week with an 81. Jim Cuny's son also is playing in the events. The IJGA was founded in 1967 by a NIMAGA board member who had a heart for junior golf. We just wanted you to know about this group.
