The following players earned all 3 possible points with strong match play.

Parry Variano

Player Division

Al Leitschuh
Jeff Toth

Trevino Division

Yoshi Mori
Nick Woods

Each member of the twelve-person team should be commended for earning a spot in this qualifying event! Every year this event allows our divisions to compete and play against players that they seldom see during the year. It is one of the special events that NIMAGA runs that in addition to providing competitive match play but also helps to build a sense of community among our NIMAGA members. Congratulations to the Palmer Division and also to all the players for representing their respective groups well. For now, the Palmer Division has bragging rights!

GET WELL WISHES TO ROGER SCOTT and BOB CROM

If you have not heard our good friend and former president Roger Scott suffered a mild stroke recently but is currently getting good care and is expected to have a normal recovery. He will be missing some tournaments but we hope to see Roger on the links soon! Roger, our prayers are with you in your recovery.

We have also received some recent news that NIMAGA member Bob Crom has just undergone some surgery and is recovering. We hope that you heal quickly and are soon back in competition! Best wishes and all our prayers are with you during your time away from us.

Dan Plens Update!

Last month we noted that Dan Plens was home recovering for heart surgery and we extended our best wishes. It seems our prayers were helpful as Dan was seen at the June Summer classic just visiting with NIMAGA friends and reports that he soon will be allowed to hit golf balls as he continues his recovery, This is a piece of great news and worth sharing. Good luck Dan and see you soon!
