NIMAGA General Meeting Set for Wednesday November 10th

Each year the NIMAGA Board of Directors holds a general meeting for all active members. The purpose of this meeting is to allow the Board a chance to bring the membership together and discuss important topics, solicit ideas for the upcoming year and bring the organization together in a social setting. This year we have scheduled this meeting for Wednesday November 10. The meeting will be held at 7:00 pm at Mullen's Bar and Grill. We have reserved a room and the NIMAGA Board of Directors will supply some appetizers, members will be responsible for their beverages. Mullen's is located at 3380 Warrenville Road on the corner of Naperville Rd. and Warrenville Rd. in Lisle. Please join us!

NIMAGA Fails to Bring the Milwaukee Challenge Cup Back Home

Forty Nimaga players headed north to take on forty Milwaukee County Public Links Players in what has become a truly spirited match play event that is in its 35th year. This match play event is truly a special competition that ends with a steak fry, wonderful conversation and of course the awarding of the Cup. This year NIMAGA was unable to hold off some very steady play from a tough Milwaukee team. In the end the Milwaukee Team had a commanding lead and trounced our NIMAGA team by a score of 76 - 44. Despite our loss several NIMAGA players fought hard and earned all of the possible three points for NIMAGA. These players were: Jim Cuny, Dan Dorr, Jim Neceda, John Johnston and John Serola.

If you were unable to play in this year's event please plan to join the NIMAGA team next year and look for details in our 2011 tournament schedule. Let's bring "the Cup" back home!

NIMAGA Defeats the Weekly Challenge after Seven Attempts

This past Saturday, sixteen NIMAGA players traveled to Old Orchard Golf club in an attempt to win the elusive Nimaga vs. Weekly Challenge Cup that has been out of our grasp. This year our play was very competitive and the matches resulted in a 14-10 NIMAGA win. After seven years of being out of the winners circle our eighth try was the charm. After last year's tie, allowing WCGT to retain the Cup victory taste much sweeter! This event had a special feeling as we all remembered our golfing friend Mr. Phil Kosin who started the challenge between the two organizations years ago. As a tribute to Mr. Kosin, the Cup is named in his Honor. For those who knew Mr. Kosin also know that he would have very much enjoyed the competition! Below is the listing of the NIMAGA team Members who brought home the "KOSIN CUP":

Lead by Non- Playing Captain Frank Fiarito

Brian Alberts, Keith Buralli, Dave Clay, Tony Clay, Bob Chantry, Dan Dorr, Tom Gearhart, Mark Heinsohn, John Johnston, Tim Jordan, Tim Prentiss, Roger Scott, John Snow, Rick Sigerich, Mike Turza and Tony Zolman

NIMAGA YEAR COMES TO A CLOSE

As we have finished our last tournaments and begin to prepare for our winter months, and yes despite these warm temperatures, winter is quickly closing in on all of us. We must reflect on all the fine accomplishments of our members and our organization.

Each year we still struggle with enrolling new members and ask that you work to spread the good word about NIMAGA to all of your golfing friends and do your part in promoting our organization. Word of mouth is still our best solicitation for new members! On behalf of the entire Board of Directors we would like to thank all of you for your continued support and participation in our organization, you truly make it happen each month and we look forward to maintaining the many golfing friendships we have built throughout the years!

We look forward to seeing many of you at our November 10th meeting and please send us any feedback you have as we continue to make NIMAGA the best that it can be!
