

NIMAGA Fails To Bring The Challenge Cup Back Home

Thirty-Six NIMAGA players headed north to take on thirty-six Milwaukee County Public Links Players in what has become a truly spirited match play event that is in its 38th year. This match play event is truly a special competition that ends with a steak fry, wonderful conversation and of course the awarding of the Cup. This year NIMAGA was unable to hold off some very steady play from a tough Milwaukee team. In the end the Milwaukee Team had a commanding lead and defeated our NIMAGA team by a score of 571/2 to 501/2. Despite our loss several NIMAGA players fought hard and earned all of the possible three points for NIMAGA. These players were: Scott Jones, Charlie Kuhn, Steve Leiber, Doug McKirahan, Dan Montgomery, Tom O'Brien and Rick Sigerich.

If you were unable to play in this year's event, please plan to join the NIMAGA team next year and look for details in our 2014 tournament schedule. Let's bring "The Cup" back home!
