A Repeat from last year, NIMAGA gets beat AGAIN!!!!!!!

On Saturday, September 22, 2018, NIMAGA members headed north to Bristol Oaks Golf Course to play in a 43 year old match play tournament against members of the Milwaukee County Public Links Association (MCPLA). The Bristol Oaks Golf Course was where the inaugural match took place in 1976. A NIMAGA member is paired against a MCPLA member in a three point match, one point for the front, one point for the back and one for the total. NIMAGA has failed to beat MCPLA the past eight years. This year, NIMAGA lost by a score of 59 1/2 to 36 1/2. The current standings are NIMAGA with 20 wins, MCPLA with 20 wins, and the match was halved three times.

Congratulations to the following NIMAGA members that scored 2 ½ points or more in their respective match: James Dubay, Joe Nagy, Nick Orlando, Dennis Samoska, Roger Scott, and Jeff, Toth

These matches are always filled with a level of competition that is also combined with sportsmanship and friendly matches. The competitors finish the day with a dinner and a time to get a chance to discuss the day's competition. For the many NIMAGA members who have returned often comment on the friends they have made and look forward to returning each year to re-connect and reminisce about previous matches. If you missed this year's tournament please consider playing next year and plan on helping NIMAGA regain the "CUP".
