<u>NIMAGA Beaten AGAIN!!!!!!!!!!</u>						

On Saturday, September 21, 2019, on a rainy morning NIMAGA members headed north to Bristol Oaks Golf Course to play in a 44 year old match play tournament against members of the Milwaukee County Public Links Association (MCPLA). A NIMAGA member is paired against a MCPLA member in a three point match, one point for the front, one point for the back and one for the total. NIMAGA has failed to beat MCPLA the past nine years. This year, NIMAGA lost by a score of 60 to 36. The current standings are MCPLA with 21 wins, NIMAGA 20 wins, and the match was halved three times.

Congratulations to the following NIMAGA members that scored 2 ½ points or more in their respective match: Mark Larsen, Doug McKirahan, Roy Robbins, Larry Zakosek, George Zdarsky and Mike Zdarsky.

These matches are always filled with a level of competition that is also combined with sportsmanship and friendly matches. The competitors finish the day with a dinner and a time to get a chance to discuss the day's competition. For the many NIMAGA members who have returned often comment on the friends they have made and look forward to returning each year to re-connect and reminisce about previous matches. If you missed this year's tournament please consider playing next year and plan on helping NIMAGA regain the "CUP".
