OB is marked by white stakes and/or split rail fencing. Always play a provisional if you're unsure if you are OB or not.

Fescue / long grass may be played as a penalty area. You may play it as it lies w/o penalty. Or, as with all penalty areas, you can add one penalty stroke and either replay your last shot or take relief outside penalty area where the ball crossed into the penalty area, not ended up.

There are areas where the fescue butts against Out of Bounds. In this case, if your ball goes over the fescue, it is OB and not in a Penalty Area.

We will be use a drop area for #17. There is a 2<sup>nd</sup> set of silver markers in front and to the right of the tee boxes. This is the drop area and will labeled as a NIMAGA drop area.

## Course Pace of Play 4:30

## Play Ready Golf

Local Rules other than noted above are not used in NIMAGA Events
