

2017 NIMAGA Cup at The Village Links of Glen Ellyn

Gentlemen, congratulations on competing for the 2017 NIMAGA Cup.

The format is the same as in previous years, match play. Each foursome will contain 3 matches each worth one point. Two singles matches and a team (better ball) match.

All matches will be determined by net score on each hole. All players will get their strokes where they fall on the card.

Example: Players A and C are teamed against Players B and D. A plays B, and C plays D in the singles matches. Handicaps are as follows, A =10, B = 12, C = 11, D =14. In the singles matches, A would get strokes on the first 10 ranked holes, B would get strokes on the first 12 ranked holes. C would get strokes on the first 11 ranked holes, and D would get strokes of the first 14 ranked holes. All players will get the same strokes in the better ball, team match.

Palmer matches will be played from the Blue Tees, 6770 yds. Player matches from the White Tees, 6382 yds. Trevino matches from the Gold Tees, 6004 yds. Please play the matches from your assigned tees.

Scorecards will be provided, with the strokes received marked on the appropriate holes. Please fill out the scorecard with GROSS scores only. We have a computer program to figure the net scores and the results of each hole, and match. If a player does not finish a hole put an X, and I will fill in a score that does not affect the results of the hole.

All hazards are marked in red.

Any areas of High grass example: to the left of the green on holes 2 & 6. Or areas of dense undergrowth in trees, not marked as a hazard, example; to the left on holes 2, 3 right on holes 10,11,12, both sides of hole 13 from 200 yards (approx.) out from the green. Left on 6 & 15, unless the group is reasonably sure the ball is out of bounds, are to be played as lateral hazards.

Flip a coin for Team honors on the first tee. Honors after that will be determined by the last **Team** to win a hole.

There will be a closest to the pin for each set of tees. The Palmer members will use hole 8, the Player hole 3, the Trevino hole 11.
