PACE OF PLAY

If a group finishes 14-18 minutes behind the group in front of them, and 26 minutes or more behind two groups in front of them 1STROKE PENALTY. 19 minutes or more behind the group in front of them, or 26 minutes or more behind two groups in front of them 2 STROKE PENALTY. Groups finishing beyond the above time lines will be brought to the attention of NIMAGA's Board for review to determine if further actions are required. Please note this rule includes leniency and thus any group which does not finish within these time allowances will be assessed the penalty.

Also, note this rule is based on the "group" it is not acceptable for the first player of a group to hole out on the last hole and run into the club house. The "group" has not finished until the last player holes out on the last hole.

FIRST TEE

All groups will be introduced on the first tee please be respectful of all your competitors who have qualified for NIMAGA's most prestigious event. For those who have yet to receive the NIMAGA glass see a tournament director after your round.

TIES

Ties in the NIMAGA Players Championship, will be resolved by a three hole playoff, if such a play-off is feasible in the judgement of the Tournament Directors. The NPC will be determined in this order: Gross winner, 2nd place gross, Net winner, 2nd place net, 3rd place net, 4th place net and 5th place net. All players involved in the playoff must be present to participate unless and until the Tournament Directors have determined that a physical playoff is not feasible. The three factors used in determining feasibility are weather, darkness, and access to the course. For a Gross playoff, the handicaps of the participants will be disregarded. If a play-off is not feasible, the tie will be broken by matching scorecards backward from the the last three holes, again without regard to the handicap strokes. The tie-breaking procedure will determine who receives both the first place and 2nd place trophy for gross. The playoff for net will also consist of three holes, with handicaps equal to one sixth of the player's current handicap. The same will apply in a scorecard playoff for net, matching scorecards of the last three holes of the round and applying the playoff handicap referenced above.
