Groups finishing beyond the above time lines will be brought to the attention of NIMAGA's Board for review to determine if further actions are required. Please note this rule includes leniency and thus any group which does not finish within these time allowances will be assessed the penalty. Also, note this rule is based on the "group" it is not acceptable for the first player of a group to hole out on the last hole and run into the club house. The "group" has not finished until the last player holes out on the last hole.

TIES

Ties in NIMAGA events, are decided by a sudden-death play-off, if such a play-off is feasible in the judgment of the Tournament Director. The **Palmer** division will be determined in this order. Gross winner, Net winner, For a Gross playoff, the handicaps of the participants will be disregarded. The tie will be broken by matching cards backward from the 18th hole, without regard to the handicap strokes. The tie-breaking procedure will determine who receives both the first place prize and the tournament plaque. For a Net playoff, the players will receive strokes in accordance with the ranking of holes on the scorecard. The same will apply in a scorecard playoff for net. The tie breaking procedure will determine who receives both the first place prize and the tournament plaque. Playoffs will be run, if necessary, for Low Gross and Low Net first. If there is a tie for 2nd place gross, a scorecard playoff will be run to determine that place only. All other net places will remain ties. Example if 3 players tie for second they will all receive credit for 2nd place and will split the prize monies for 2nd, 3rd, and 4th places.
