PACE OF PLAY

PACE OF PLAY TODAY IS 4 HOURS 15 MINUTES

If the group is outside of the Pace of Play and finishes 14 or more minutes of the group in front of you, each member of the group would receive 1 Pace of Play violation. If the group is outside of the Pace of Play and finishes 19 or more minutes of the group in front of you, each member of the group would receive 2 Pace of Play violations. Allowances will be made for foursomes playing behind threesomes. When the 3rd Pace of Play violation is received, the individual will receive a one stroke penalty.

TIES

Ties in NIMAGA events, are decided by a sudden-death play-off, if such a play-off is feasible in the judgment of the Tournament Director. The **Palmer** division will be determined in this order. Gross winner, Net winner, 2nd place gross. For the first place place the player must be present to participate, unless and until the "committee" has determined that a physical playoff is not feasible. The 3 factors used in determining feasibility are weather, darkness, and access to the course. For a Gross playoff, the handicap of the participants will be disregarded. If a playoff is not feasible, the tie will be broken by matching cards backward from the 18th hole, again without regard to the handicap strokes. The tie-breaking procedure will determine who receives both the first place prize and the tournament plaque. For a Net playoff, the players will receive strokes in accordance with the ranking of holes on the scorecard. The same will apply in a scorecard playoff for net. The tiebreaking procedure will determine who receives both the prize and the tournament plaque. Playoffs will be run, if necessary, for Low Gross and Low Net first. If there is a tie for 2nd place gross, a scorecard playoff will be run to determine that place only. All other net places will remain ties. Example if 3 players tie for second they will all receive credit for 2nd place and will split the prize monies for 2nd, 3rd, and 4th places.
