## NIMAGA Fails to Bring the Cup Home in 2016

On Saturday September 24th, 2016 32 NIMAGA players headed north to Evergreen Country Club in hopes to bring home the annual Milwaukee Challenger Cup. This 42 year old competition is played as a match play event where one NIMAGA player is paired against one Milwaukee Challenge player in a three point match. One point for the front, one point for the back and one for the total. During the past four years NIMAGA has failed to beat the tough Wisconsin group and over the 41 years of the match it is nearly dead even. In 2015 the match ended in a tie and the Milwaukee group was able to retain the cup from their win in 2014. This year, the NIMAGA team battled and lost by a narrow 5 point margin by a score of 50 1/2 to 45 1/2. These matches are always filled with a level of competition that is also combined with sportsmanship and matches are friendly. The competitors finish the day with a steak fry and a time to get a chance to discuss the days competition. For the many NIMAGA players who have return from year to year will often comment on the friends they have made and look forward to returning each year to re-connect and reminisce about previous matches. If you missed this years event please consider playing next year and plan on helping NIMAGA regain the "CUP"!

Congratulations to the NIMAGA members that scored 2-1/2 points or better:  
Tom O'Brien, Larry Goldberg, Greg Rusteberg, John Serola, Rick Ivonavitch,  
Dave Martinek and John Johnston.
