### **PACE OF PLAY**

If a group finishes 14-18 minutes behind the group in front of them, and 26 minutes or more behind two groups in front of them 1 STROKE PENALTY. 19 minutes or more behind the group in front of them, or 26 minutes or more behind two groups in front of them 2 STROKE PENALTY. Groups finishing beyond the above time lines will be brought to the attention of NIMAGA's Board for review to determine if further actions are required. Please note this rule includes leniency and thus any group which does not finish within these time allowances will be assessed the penalty.

Also, note this rule is based on the "group" it is not acceptable for the first player of a group to hole out on the last hole and run into the club house. The "group" has not finished until the last player holes out on the last hole.

### **DAY TWO**

The cut is 50% of the field (net scores) and any gross player that is within 8 strokes of the gross leader.

Ties for the trophy winners will be resolved by a play-off if a play-off is feasible in the judgment of the Tournament Directors. The play-off will consist of three holes. For 1st and 2nd place gross, the handicaps of the participants will be disregarded. For 1st through 5th place net, the handicap is equal to one sixth of the player's current handicap.

If a play-off is not feasible, ties will be broken by matching score cards of the last three holes of the round and applying the "play-off" handicap referred to above.
